

Steps & Forms for Service Animals

We understand that it is important to you to have your Assistance/Service Animal with you. So we are providing you with the steps and information you will need to expedite your request in a timely manner.

- 1) LETTER REGARDING ASSISTANCE OR SERVICE ANIMALS: This form is for the PHYSICIAN to read, fill out, and sign. NOTE: If you have additional paperwork on your service or ESA you are more than welcome to provide us with it, however, OUR forms must be completed by your physician.
- 2) CERTIFICATE OF VACCINATION or VET RECORDS: These need to show up-to-date vaccinations, example: Rabies, Parvo, etc.
- 3) ANIMAL ADDENDUM: This form will need to be filled out by Parigi once #1 & #2 have been brought in with all information needed. This form gives you permission to have the Service Animal on the property once all parties have signed both the 'Animal Addendum' AND THE 'Assistance or Service Animal Amendment to Animal Addendum' (#4 below.)

- 4) ASSISTANCE OR SERVICE ANIMAL AMENDMENT TO ANIMAL ADDENDUM: This is for the tenant to fill out once the Animal Addendum is completed.

Please be aware... The animal IS NOT allowed onto the property until all the proper paperwork and forms have been completed. If you bring the animal onto the property without the prior written consent (#3 Animal Addendum) you will be in violation of your signed Lease Agreement.

If you have any questions please let us know and we will do our best to answer them.

Thank you!
